

Beverly Sills will grace the Opera House stage in April for the Creative Living Series.

The Woodstock Fine Arts Association is an organization of volunteers in support of the Arts and the Opera House. Week-ends find our membership engaged in conducting guided tours of the Opera House for visitors. Our programming efforts include a three-concert classical music series and a school children's performance series which introduces students throughout the area to the joys of the performing arts. WFAA is partially funded by the Illinois Arts Council.
